

Refund Policy

Refunds

Refund Policy is good for 14 days. We want you to be happy with your land purchase. If between the original purchase date and the 14th day you are not satisfied with your purchase we will refund your full purchase price, provided of course the land is in the same condition as it was at the time of sale (determination of the condition of the land rests solely with the us).

Once you have indicated you wish a refund on your land purchase, we will send you an email to notify you that we have received your request. At this time, we will conduct our due diligence on the condition of the land. We will also notify you of the approval or rejection of your refund. If your refund is approved we will conduct the sales process by which we buy the land back from you. Your refund will be in the form of a check issued back to you by us.

Due to the legal nature of buying and selling land the term "Refund" used herein should not be construed as an automatic crediting back of your money. In the context of this Policy "Refund" is to mean we will buy your land back from you, at our discretion, within 14 days from the original date of sale.
